

3 Tips to Stay Safe Online

1. Privacy

- When online, NEVER give out private information!
- **Do NOT** give your school name, your name, address, date of birth, email address, social media name, or cellphone number.

2. Gaming/Apps

- Only play with friends that you know and have interacted with in person!
- Play with a classmate, a football teammate, or a friend in your girl scout troop.
- If a problem happens, tell an adult! Never send personal photos, your address, phone number, email address or social media handle to someone you are gaming with.

Remember these SAFE and FUN ways to game.

3. Downloads/Ads

- Only download games and apps that your parents or guardian have approved.
- **Ignore and DON'T CLICK** on any ads that may pop up while online.

You should **REPORT** if someone online is:

- Making threats
- Sending photos of themselves, using words that you do not understand, or calling you pet names like "sweetheart"
- Asking you for personal photos and information
